DESCRIPTION

2021 Hyundai Elantra Preferred IVT for sale

The 2021 Hyundai Elantra Preferred IVT features an Intelligent Variable Transmission (IVT), which is Hyundai's version of a continuously variable transmission (CVT). This transmission is designed to provide a smooth and efficient driving experience by continuously adjusting the gear ratios. In terms of features, the Preferred trim level typically includes a variety of amenities for comfort, convenience, and safety. Features may include a touchscreen infotainment system, smartphone integration (such as Apple CarPlay and Android Auto), Bluetooth connectivity, keyless entry, a rearview camera, and advanced safety features like forward collision warning and automatic emergency braking. The design of the 2021 Elantra is known for its sleek and modern aesthetic, with Hyundai placing emphasis on bold lines and an eye-catching exterior. The interior is designed to be spacious and comfortable, ...
